

Memorandum of Understanding (MOU)
between
National Center for Theoretical Sciences, Taiwan
and
Research Institute for Mathematical Sciences, Kyoto University, Japan

This MOU is made between the National Center for Theoretical Sciences (NCTS), Taiwan and the Research Institute for Mathematical Sciences (RIMS), Kyoto University, Japan.

The terms are as follows:

1. The two parties, NCTS and RIMS, agree to promote the exchange of researchers in mathematical sciences including Ph.D. students and Post-Doctoral fellows as well as faculty members. The cost sharing of the expenses (travel, local expenses and accommodation) for the exchanges will be determined upon mutual agreement by the two parties.
2. Each party agrees to provide necessary research facilities for visiting researchers from the partner institution.
3. This MOU shall become effective on the last date of signatures by the Directors of both parties, and shall remain in force for five years. Either party may, by giving six months written notice to the other, terminate the MOU. In the absence of such an early termination, the renewal of this MOU shall be discussed by the two parties no less than six months prior to the natural termination of the current MOU. The terms of this MOU may be revised or modified at any time through a joint review and recommendation by both parties.
